RE: ML 47722-MP Request to Extend Operations Into Lanny Jensen Permit Area

Dear Ms. Bown:

Thank you for writing me on June 19, 2002, requesting permission to extend your mining operations under ML 47722-MP westward into the permit area formerly held by Lanny Jensen (T20S, R2E, SLB&M, Section 18, SE4SE4).

The Trust Lands Administration would like to work with you in amending your exiting minerals permit ML 47722-MP to incorporate trust lands mineral acreage formerly held under Permit to Lanny Jensen, but feels that the outstanding audit issues surrounding your permit must first be resolved. I'm therefore unable to immediately act upon your request. Please contact Ron Carlson, 1-801-538-5131, to resolve the outstanding audit of ML 47722-MP by the Trust lands Administration.

Thank you for your cooperation in this matter.

Sincerely,

John T. Blake
Mineral Resources Specialist
